In its third successful season, "Out in Idaho" comes to the opera house on Saturday, March 13. "Out in Idaho" is one of those rare plays that makes even the hardened theatre goer, tingle with a new sensation. The play is a refined comedy-drama and yet it depicts as vividly as stagecraft can the primitive passions that swayed the lives of the men and women who rushed to the West in the great gold fever. Hatred, love, revenge, reward for good deeds, happiness, sorrow, all are given their due place in this remarkable dramatic picture of those days of long ago.

MANY USEFUL HINTS

Could be gathered by a visit to our store and a look over our stock, as you can easily get here a general view of the entire market. Many ladies overlook the opportunities lost, by not keeping constantly supplied with the latest garment news. They wait until the demand is at their door before taking steps to meet it. This is a mistake. Come in and inspect our new line of Spring Suits and Skirts.

LADIES' SEPARATE SKIRTS.

We have just received another invoice of new Spring Skirts in blacks and colors. These are the popular M. & C. make of Skirts, and those who have had this Skirt know that the fit and make are the best that can be turned out.

We have some extra good numbers in Voils. These are made from the Altman, a Voil which is of a hard twisted long fiber wool, making it especially desirable for service, and it will not stretch or pull like the soft fiber Voil. Then they will not catch the dust like the soft Voils.

These Skirts are made in the latest up-to-date styles, only are much fuller around the bottom than the samples shown. Some are made full circular with taffeta and satin bands, others are finished with self bands.

MISSSES' JUNIOR SUITS.

The Misses' Junior Suit business has got to be almost as great a feature as the Ladies' Department. We have carried a fair line of these Suits each season, but this Spring we have put in a much larger and better line than ever before.

At \$8.75 is a Blue Panama three-piece Suit, consisting of skirt, with a waist jumper effect and a plain, neat tailored coat.

At \$10.00 are some Misses' Junior Suits, made of a good quality mixed goods in stripe effect. Coat is made a gradual cutaway front with coat back, finished with silk on the cuffs and collars. Skirt is made circular flare and buttons up the side, in the sheath effect and finished with buttons.

At \$15.00 and 18.00 are some fine Suits, made up in a fine worsted and Panama, and made in the best of style, similar to the best quality ladies' suits.

LADIES' SPRING SUITS.

Nearly every day now brings new Suit models into our department. Never so early in the season could we show you so many new models and never have we had a season of so large a variety of new, tasty models.

A Suit which we are going to put out is a leader at \$12.00. This is a Suit that is made to sell at \$15.00 and is made of a hard twisted worsted. Coat is made 36 inches, square cut, style with large patch pocket style, is lined with a good quality Eddon satin. Skirt is full circular gore and finished with braid and buttons.

At \$15.00 and 18.00 are a class of Suits which are of an extra good value. These are made of a fine worsted and Panama in a variety of the new and popular cut styles, and of a make that is sure to fit.

At \$20.00, 25.00 and 30.00 are some Suits which we are showing in samples, only one of a kind. These are just to take orders from, and are a little different from the stock Suit.
